SPORTS

OAHU VICTORIOUS

Third Team Shuts Out High School Eleven in One-Sided Game of Football

The only consistently victorious football team that Oahu College has turned out this year handed the High School third team an awful wallop yesterday. The Collegiate put it over their opponents to the tune of 28-0.

As a matter of fact, there was never a time from the minute the ball was kicked off at the beginning of the first half until the whistle announced the end of the second, that the High School lads had the ghost of a show. It was a walkover for the lads from Punahou—so much of one that the game was without a particle of interest either to players or spectators.

The High School boys played like the very mischief, but they lacked team work and are shy in weight. No one was hurt, in spite of the disparity in weight.

ECHOES

It is to be hoped that baseball fans are working up the necessary degree of enthusiasm for that coming game when the Bulletin team is going to administer that coating of white-wash to Sheba's Shining Specimens of Sphere-Shooting Specialists. That is going to be a great game and if fans don't turn out in large numbers they will show themselves poor judges of what is to their interest. (You will notice that the Sporting Editor is taking the opportunity to do a little crowing; he may not be able to after the game.)

The Y. M. C. A. Indoor Baseball League held a meeting last night in the rooms of the Association. James Nott and John Baptist were appointed captains to choose two teams to play a series of three games.

The Y. M. C. A. soccer team will probably meet some other team of the soccer league on Punahou campus Saturday afternoon at 2:30 o'clock. What team will be played is not yet certain.

MURDERED TO PREVENT HER FROM JOINING CHURCH

EASTON, Pa., Nov. 9.—Mrs. Teranu Yano Utsunomiya, Japanese, who was last night to have renounced her paganism and join the First Presbyterian Church, was found dead yesterday afternoon in the cellar of a house of which she and her husband were caretakers. There was a deep knife wound in her throat.

Her husband has been arrested, though the police admit there is no direct evidence against him. The Japanese insists his wife committed suicide. The police, however, say the woman could not have inflicted the fatal wound and further declare that the husband had tried to keep her from becoming a Christian.

WHYNESS OF THE WHICH

"But why are you going to be married to him if you don't love him?" queried the friendly friend. "He says he understands women," explained the bride-elect, "and I've appointed myself a committee of one to convince him that he doesn't."
